

With Australia's growing love for caravanning holidays, the renovation of older vans is also expanding.

Janden Wood Panels stocks a range of woodgrains and plain colours which are ideally suited for renovators to work with. Being plywood, the sheets are easy to work with and can be cut with normal tools that a home renovator would have.

Woodgrain	Sheet Size
Pecan	2440 x 1220
Rock Maple	2440 x 1220
